## Newsletter 1 27 December 2019

Merry Christmas! I hope you all had a wonderful Christmas with your family and friends. It was very busy at Bull Creek this Christmas which was so lovely to see. Many people wrote on the Bull Creek facebook page, how they wished they could be here for Christmas!

It is a shame the ground is so boggy but in the gaps of warm weather everyone has been heading to the beach to try out their new beach gear!

At the committee meeting this morning a timetable was developed along the lines of the one discussed at the AGM in October, with some changes made considering the weather forecast. There may have to be more changes as the week evolves. Keep an eye out for the cruise ships going past. I wonder who spotted the Queen Elizabeth last night 3am.

Next is the Noordam later tonight approx. 10pm 285m long with 1900 passengers.

It was decided to erect the marquee a day early in case Friday could be a fishing day. Thank you to the many volunteers who appeared and made this happen so efficiently.
